

Comit indices: discontinuation of and changes the in indices

The Intesa Sanpaolo Research Department will perform the following activities if one or more indices in the Comit family are discontinued:

	Activity	Timing
1	Publication of a notice on the Intesa Sanpaolo website indicating the indices to be discontinued, specifying the alternative index or indices to which reference could be made as a replacement and stating the reasons why those indices are believed to be valid alternatives.	At least 60 days prior to discontinuation
2	Dispatch of a notice to all e-mail addresses in the "Comit Indices" mailing list specifying the indices to be discontinued, indicating the alternative index or indices to which reference could be made as a replacement and stating the reasons why those indices are believed to be valid alternatives.	At least 60 days prior to discontinuation
3	Request to Assogestioni concerning the asset management companies that use the Comit indices to send a notice for the attention of each management company's Sales, Legal and Compliance department	At least 30 days prior to discontinuation
4	Modification of the page(s) of the Intesa Sanpaolo website concerning the discontinued index or indices	The first day after the date of discontinuation
5	Update of the Index Register	The first day after the date of discontinuation

The Intesa Sanpaolo Research Department will perform the following activities if one or more indices in the Comit family change:

	Activity	Timing
